DIRECTOR OF CENTRAL INTELLIGENCE

HUMINT Committee

WASHINGTON, D.C. 20505

HC/CS 88-027

12 February 1988

OFFICE OF THE CHAIRMAN

MEMORANDUM FOR: Members, Collection Coordinating Subcommittee (CCS)

FROM:

Chairman, CCS

SUBJECT: CCS Meeting - The Chemical and Biological Warfare Threat

1. The CCS will meet at 0945 hours, Monday, 7 March 1988, in [redacted] to discuss the enclosed draft of National HUMINT Collection Plan No. 68, The Chemical and Biological Warfare Threat, and the companion collection support brief (CSB) drafted by the WSSIC. [redacted]

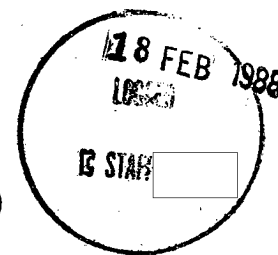

2. In preparation for the meeting, please review the proposed assignments in the plan in terms of your agency's capabilities and mission. Agencies with production interests should consider the narrative as well as the collection objectives and their priorities. The assessment of collection efforts in Part I (The Collection Challenge) is written to provide current guidance on major collection issues and topics on Chemical and Biological Warfare (CBW), and point out perceived collection/reporting strengths and weaknesses. We want to give a clear and authoritative sense of how the Washington community looks upon the reporting on CBW. Your comments and suggestions on both the NHCP and the CSB are vital to achieving this goal. Proposed distribution of the plan is also included (page 2) for your review and suggestions. [redacted]

3. We would appreciate being notified of suggested significant changes at least 48 hours before the scheduled meeting. Questions or suggested changes you wish to discuss prior to the CCS meeting should be addressed to [redacted]

4. Please notify [redacted] by COB Thursday 3 March 1988 of the names of individuals who plan to attend the meeting. [redacted]
